Poultry Equipment & Plastic Products Manufacturer

About Us

Big Hearman is a professional manufacturer and supplier of high-quality poultry equipment and plastic products. We specialize in manufacturing reliable, durable, and cost-effective products designed to meet the needs of modern poultry farms.

Manufacturing

Our manufacturing process is focused on producing products with:

- High-quality raw materials
- Strong and durable construction
- Accurate dimensions
- Long service life
- Easy installation and maintenance
- Cost-effective production

We continuously improve our manufacturing methods to meet the changing requirements of the poultry industry.

Our Mission

Our mission is to provide high-quality poultry equipment at competitive prices while building long-term relationships with our customers through reliability, innovation, and excellent service.

Our Vision

To become a trusted and leading manufacturer of poultry equipment and plastic products, recognized for quality, innovation, reliability, and customer satisfaction.

Quality Commitment

Quality is at the heart of our manufacturing process. We carefully select raw materials and maintain quality checks throughout production to ensure that our products meet the required standards and perform reliably in poultry farming environments.

Why Choose Us?

- Quality-focused manufacturing
- Durable and reliable products
- Competitive pricing
